EVANS ANNUAL REPORT

Where Rivers and Opportunities Meet

Queen City of the Platte

Hello Evans Residents!

The 2021 Annual Report is available in two versions. The one you're holding in your hand serves as a convenient, time-saving way to review the highlights of the past year in the City of Evans.

Greetings from Mayor Rudy

Greetings and thank you for reading this year's annual report. The City accomplished a lot of great things in 2021 and we're happy to share those with you. Evans continues to improve, but it's only possible with your support. You showed that support last year at the ballot box when you voted overwhelmingly to build a new police station. The measure will require bond and keep our streets safe and our neighborhoods thriving.

There are many things to be proud of from 2021. One of the things I'm the proudest of is the exciting infrastructure in our city. I was able to cut the ribbon when we opened the 23rd Avenue Extension that connects with Weld County, we'll be widening 23rd Avenue this year to be a more comfortable street in East Evans with a variety of maintenance projects all over the city. We have much more work planned but 2021 was another example of our commitment to street maintenance and repair.

Thankfully, we saw economic recovery following the worst of the pandemic in 2020. We opened many new businesses and big developments are coming. With lots of public input, we also substantially completed an updated Community Master Plan. Our growth and services for the next 10-20 years. The focus is on where we are going in Evans, capitalizing on what we are doing and creating opportunities for all in the future. As you read the annual report, you will not only discover what we've done, but it will give you a glimpse into the bright future of Weld County's most historic city. Thank you for your continued support.

A comprehensive booklet with a full review of 2021 is available to download at www.evanscolorado.gov. Printed copies are now available at the Evans Community Complex.

City of Evans Annual Report

11x17 tri-fold brochure
This is an EDDM mail piece

The 24 page booklet is available for pickup at the Evans City Complex. The brochure is a simplified quick overview of major city accomplishments and was mailed to all Evans residents. Project completed May 2022.

INFORME ANUAL DE EVANS

Donde Se Encuentran Los Ríos Y Las Oportunidades

Carreteras Suaves Por Delante

El mantenimiento de las calles y la infraestructura es una prioridad principal en Evans. Solo en 2021, la ciudad erigió una nueva calle en 23rd Avenue y amplió 47th Avenue. El programa de clasificación de callejones de Evans ha revitalizado los vecindarios mediante la renovación de los 47 callejones de la ciudad. Otros proyectos notables incluyen el molino y la superposición de Stagecoach Drive, el Programa de Parche de Asfalto y el proyecto de Reemplazo de Concreto del East Side.

Comunidades seguras y comprometidas

NATIONAL NIGHT OUT

National Night Out es una celebración anual que fomenta las relaciones positivas entre el departamento de policía de Evans y los residentes. La policía de Evans también realizó una ceremonia con la Escuela Primaria Centennial para conmemorar el vigésimo aniversario del 11 de septiembre y se asoció con un par de escuelas primarias para recaudar casi \$7,000 para las Olimpiadas Especiales. La ciudad también organizó un evento exitoso llamado Ayúdenos a dar forma al futuro de Evans que brindó a los residentes la oportunidad de compartir comentarios e ideas con los líderes de la ciudad.

Recreación familiar

El Parque DaVinci aún no se ha construido, pero más de 200 residentes han compartido su visión. Para el diseño del parque de subdivisión Tuscany, Evans estrenó el tráiler de la fiesta del vecindario en junio. El tráiler es de uso gratuito y contiene todos los elementos esenciales para organizar un gran evento comunitario. Los voluntarios del programa Outdoor Colorado brindaron valiosas oportunidades de limpieza de la ciudad. Los Días del Patrimonio regresaron con un desfile, desayuno caliente, casetas, actividades infantiles y conciertos gratuitos.

DAVINCI PARK PUBLIC MEETING

Servicios municipales receptivos

NEW EVANS POLICE STATION

Una medida electoral para financiar una nueva estación de policía fue aprobada con más del 60% de los votos. La instalación recién construida no requerirá nuevos impuestos o tarifas para los residentes de Evans. Los planos diseñados para acomodar aproximadamente a 60 oficiales jurados, unidades de investigación, salas comunitarias y una serie de otros servicios policiales.

Illustration

AN AMERICAN ODYSSEY

The title of this book is not just a play on words, but a reflection of the author's journey. It is a story of a young boy from a farm in Colorado who became a scientist. The book is a collection of his travels and adventures, from his childhood in the mountains to his time in the desert. It is a story of discovery and exploration, of a young man who was always curious and always looking for the next adventure.

FROM NORWAY TO THE NEW WORLD

Narrative by Dianne (Olo) Bakken

This is a classic picture of our family. The man in the picture is Gundersen Dreng, my great-grandfather and his wife Sigrid, my great-grandmother. They are the parents of Dreng Gundersen, my grandfather, and the parents of my mother, my grandmother. The house in the picture is the house where my grandfather and his wife lived. It was built by my grandfather and his wife. It is a very nice house. It is a very nice house. It is a very nice house.

THE GREAT 2021 FALL CLEAN UP

October 2-3 and October 9-10 8 am to 4 pm 3323 1st Avenue, Evans

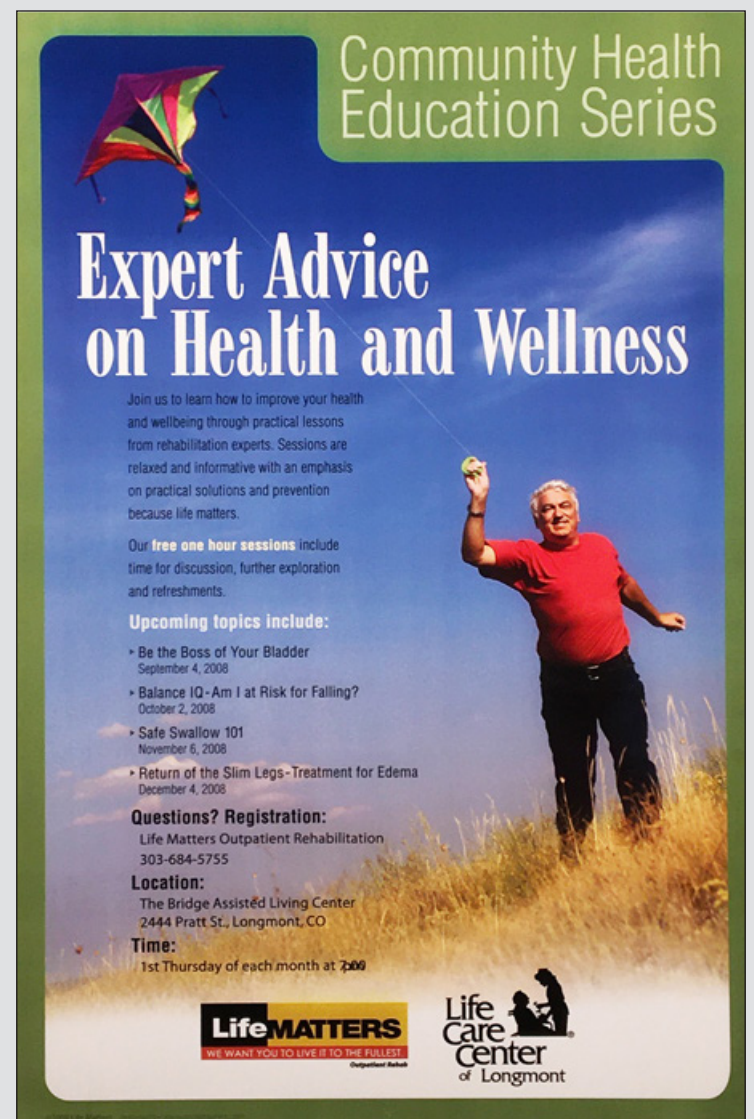

WHO CAN PARTICIPATE?
Evans utility customers who pay for their trash service through their bill will receive one free voucher delivered to their physical mailbox.

WHAT YOU NEED TO BRING
Bring the free cleanup voucher attached to the bottom of this letter. You will also be required to present proof of residency in the form of a driver license or Evans utility bill verifying your address.

MORE THAN 1 VOUCHER?
You can purchase vouchers at the event with proof of residency for \$10 per load (cash only). You can also buy additional vouchers at the Evans Community Complex during normal business hours (M-F, 8am-5pm). Trailers and loads larger than one pickup bed will require multiple vouchers.

CAN I BRING TIRES?
Waste tires will be accepted for an additional fee of \$3 per passenger vehicle tire without a wheel. All other tires will cost more. The second lowest fee will be \$8 for passenger vehicle tires with wheels.

WHAT ITEMS WILL NOT BE ACCEPTED?
Recycling guides will be available at the event or from the City by request. The guide will help residents determine what items will not be accepted at the cleanup. Examples include: electronics, refrigerants, and household hazardous wastes such as paint, cleaning chemicals, and a variety of other items which require special disposal.

Community Health Education Series

Expert Advice on Health and Wellness

Join us to learn how to improve your health and wellbeing through practical lessons from rehabilitation experts. Sessions are relaxed and informative with an emphasis on practical solutions and prevention because life matters.

The 21st International Conference on the Autonomous Learner Model for the Gifted: Striving for the Ideal Autonomous Learner Model Classroom & School

June 19 – 24, 2007
Estes Park Center/YMCA of the Rockies
Estes Park, Colorado

Featured Presenters:

George Betts • Mary Ruth Coleman • Arlene DeVries • L. Dennis Higgins • Jolene Kercher • Elizabeth Nielsen • Patty Rendon & 20 additional presenters with over 200 years of experience in gifted education.

MAJOR CONFERENCE AREAS

- The Autonomous Learner Model (ALM)
- Exemplary ALM Classrooms & Schools
- Diverse Gifted Children (Identification / Programming)
- Underserved Gifted Children
- Potentially Gifted Children and Poverty
- Twice-Exceptional and Multi-Exceptional Learners
- The Young Gifted Child
- ALM Differentiated Curriculum Writing Projects (Bring your curriculum to differentiate and to be reviewed)
- Standards-based Education & the ALM
- Literacy, the ALM & Gifted Learners
- Differentiating Curriculum by Gifted Learners
- Revised Profiles of the Gifted: Identification & Programming
- Autonomous Learner Model: Training the Trainer (ALM Trainer Certification)

Join us in the Colorado Rockies!

Experience the beauty and serenity of the high country in one of the most breathtaking settings in the Colorado Rocky Mountains. Located just minutes from Rocky Mountain National Park, the Estes Park Center/YMCA of the Rockies is a modern, full-service conference center and family resort. Be sure to bring your fishing pole, hiking boots and a bottle of sunscreen.

About the Autonomous Learner Model Conference

The Autonomous Learner Model (ALM) for the Gifted and Talented was developed in 1979 by George Betts and Jolene Kercher to specifically meet the diversified cognitive, emotional and social needs of gifted learners. Emphasis is placed on meeting the individualized needs of learners.

This conference is designed for educators who seek a broad view of gifted education. Emphasis is on the major dimensions of the ALM. You may attend as many as 15 sessions (from an offering of 52 different titles), as well as three dynamic keynote. Additionally, the relaxed and informal environment provides for interaction with presenters and conference participants. We welcome family and friends.

Why Should You Attend the ALM Conference?

- Learn activities and strategies for your classroom and school
- Begin the process of becoming an ALM Trainer of Trainers
- Learn about the Autonomous Learner Model firsthand
- Review your curriculum with specialists
- Attend 3 keynotes and 15 presentations
- Meet informally with the presenters
- Share with like-minded colleagues
- Explore the Rocky Mountains
- Experience gifted children
- Develop lifelong friends
- Take a sunrise hike
- Leave refreshed and ready to enhance the lives of our children.

Training the Trainer

The "Training the Trainer" program allows educators to be certified to present on the Autonomous Learner Model. Participants will attend two summer conferences, write a personal educational plan, select specific sessions to attend, and complete projects throughout the year. Special sessions will be included in the schedule.

Quality Streets Lift Our Community

Our streets require regular maintenance and widening to accommodate the ever-increasing traffic. Streets are the road to economic sustainability and safety throughout the city. Healthy streets can increase property values, improve schools, boost economic vitality, and enhance safety for all who use the roads.

PCI is a measurement of the condition of our roads. The current budget of \$600,000 per year means our roads will slowly deteriorate. New revenue would triple the city's existing road maintenance budget, allowing nearly all roads in Evans to be resurfaced over ten years.

PCI 99 BEST
65 GOOD (EVANS' GOAL)
57 EVANS' CURRENT
50 FAIR
25 POOR 20% of Evans' roads are in poor or very poor condition.

"I don't think residents understand the budget concerns for the City. Unless you attend meetings or get a little involved in City Government, you don't understand maybe how limited the funds are for upkeep, maintenance, and new construction for fixing the roads."
 Jeff Oyley | Former owner of "The Plantation" in Evans

How New 1% Funding Speeds Evans Street Widening

A dedicated funding source will get more vital traffic corridors widened from 2 to 4 lanes more quickly, improving traffic flow and safety.

TOP PRIORITIES AND PROJECTED COMPLETION DATE

Project	Projected Completion Date
20th Avenue from Prairie View South	2018
37th Street, 65th to Two Rivers	2018
65th Avenue to 48th Street	2018
37th Street to 65th Avenue	2018
37th St. to 47th Ave.	2018
47th Avenue	2018

1% NEW FUNDING

Without new revenue it will take up to 39 years to widen some streets, and others are not funded at all. Existing streets will continue to deteriorate.

Cons of an increased sales tax

- Visitors and residents would pay an additional 1 cent on every dollar spent within the City of Evans
- Potential growth in commerce and traffic
- Increased road maintenance with increased road sustenance and widening
- Potential increase in population

For more information on the city's streets, please visit www.evanscolorado.gov/theroadahead

1% ROAD CONSTRUCTION FUNDING

The Evans City Council has placed a 1% sales tax measure on the April ballot to provide residents better road maintenance, and widen arterial roads and pave dirt roads. The measure will raise an additional \$3 million each year exclusively for road improvements.

There is a lot riding on our roads

The Road Ahead

Trust, accountability, and transparency

The City Council and administration for the City of Evans works diligently to ensure that Evans remains a safe, family-friendly community that can support future growth. We are proud of the progress we're making to ensure that our infrastructure keeps pace with our thriving and vibrant community.

"It definitely is concerning, because I want my kids to grow up in a city like Evans. If you go out there and you see that the roads are not that good, that there's a lot of potholes... I mean... I wouldn't want to put my business out there and that's not going to attract people. It's important and I think it (better roads) makes our city look much cleaner."
 Laura Castillo - East Side Evans Resident

VOTE IN EVANS **VOTE IN APRIL**

Información está disponible en español en el Complejo Comunitario de Evans: 1100 37th Street

"We want to see Evans' roads holding steady and growing steadily. We want to attract new businesses. Without good streets, I'm afraid we're not going to get that."
 Marilyn Hoekstra
 West Side Evans Resident

The Road Ahead

This is a direct mail piece for the City of Evans to help explain the current conditions of the road infrastructure, and the proposed tax to fix the streets.

fus-ion:
 a merging of diverse, distinct or separate elements into a unified whole

Fusion is about Change!

Lets face it. There's a lot of stuff we don't like in our world and maybe even in our life. Change is possible. Fusion believe change begins when each of us realize our life is far from perfect and we turn to God to help us live our lives to the fullest, the way He intended it to be.

Who is fusion?

Fusion is for you. Middle school or high school. Center of attention or loner. Male or female. Jock or geek. Maybe you're not really into the "church" thing. That's okay too. Just come and check it out. Fusion is unique. We believe in keeping the ten commandments, but breaking most of the traditional rules associated with church. We aren't concerned about your past or superficial appearances, we're just focused on developing a powerful relationship with Jesus Christ.

Spa Menu

A small tabbed booklet made this unusual spa menu really stand out. High quality stock photos completed the look.

Community Profile

The Evans Economic Development team asked for a 20 page booklet to promote the city to manufacturers and business leaders.

Die-cut Folder

Our service makes the difference

Service and Quality
We are committed to providing our customers superior service and the quality they have come to expect from a Fagerberg product.

Capable Production
• AIB Labs Certified
• ISO Capabilities
• Co-managed Inventory
• Year Round Delivery
• 99.3% Service Level

Onion Varieties
We have red, white and yellow onions in a full range of sizes, as well as sweet onion varieties. Select growers bring in a year round supply from different regions.

Ask for them by name
"Mile High Legacy" and "Mountain Pride" are brand names you can count on again and again.

Colorado Grown
The eastern slopes of the Colorado Rocky Mountains offer a climate which is especially suited to the production of quality fresh produce. The dry summer days and cool nights produce an onion of the highest quality.

Transportation
Our in-house transportation department requires close proximity to Denver to ensure excellent access to national trucking routes.

Packaging Options
With the flexibility to offer a wide variety of packaging options, we can meet your needs.

Our ultimate goal is to create lasting relationships with our customers.

The Fagerberg Produce Company has become recognized as a leading grower and marketer of high quality onions to both domestic and international markets. Founded in 1949, the company began growing Colorado onions and marketing them locally. Our expansion continued in 1977 into new national and global markets. Today Fagerberg Produce remains an important supplier of brand name Colorado onions, while at the same time offering clients a year round supply of onions from other regions.

FAGERBERG PRODUCE ONIONS

Presentation Folder (and photography)

Fagerberg Produce is a premier onion grower. This custom die-cut pocket folder helps them stand out. I did the photography and built the folder around their existing logo.

Code Enforcement Booklet

The City of Evans code enforcement people asked for something they could leave with residents which extolled the virtues of code compliance, without the treating language. This booklet did the trick.

Exhibits & Displays

Modular/Custom Portable Fabric Displays Banner Stands
Frontend Displays Interactive/Motion Accessories

Portable Exhibit

Portable tradeshow exhibits are the answer when ease of setup and shipping is a primary concern. From pop-up tradeshow exhibits to folding panel exhibits, you have a number of options to choose from. You are not limited to 10x10 or table top options. Large stand exhibits are very much within the realm of current pop-up and portable exhibit technology.

You may also combine modular or portable exhibits with portable backlit options as well, or you can have custom components integrated to add additional interest to your design. Add motion...create interest...captivate your audience.

O' Sole Mio

Trattoria Italiana

Menu Catering Our Story Contact Us

Welcome to authentic Italian dining, O' Sole Mio

Trattoria-style dining in a warm family atmosphere, that is O' Sole Mio. Fort Morgan's only authentic Italian restaurant. Owner Carlo Pellegrini, from the Puglia region of southern Italy, draws on family recipes and traditional dishes to serve a true taste of Italy. Trattoria food is the neighborhood fare served all over Italy, delicious home made dishes made of the finest and freshest ingredients. Carlo combines simple recipes with seasonal vegetables, pasta, fresh seafood, chicken, lamb or beef, authentic Italian sauces and herbs - then infuses them with a passion for serving a wonderful handcrafted meal.

Gazabo EMPORIUM

Welcome to Gazabo Emporium

At Gazabo Emporium we care about our gazabos and the people who love them. We provide many custom options to ensure your gazabo will beautifully enhance your property. We also include a limited lifetime warranty and satisfaction guarantee with every gazabo we build!

Our team has been building gazabos since 1987. Since then we have tested various designs, building materials, and methods of assembly in order to improve our gazabos. Our color gazabos and vinyl gazabos have an ethnic look to them. We pay close attention to detail during every gazabo's construction process, ensuring exceptional quality craftsmanship, in the Amish tradition.

Discover how your gazabo become a functional and attractive addition to your property. Our gazabos are a unique outdoor gathering place that we guarantee will provide many years of enjoyment. When you are ready to purchase a gazabo for your home we encourage you to compare the quality, options, and prices we offer at Gazabo Emporium.

We specialize in a combination of imported and western red cedar. We offer the 2 tier octagon roof, turned spindles and fancy brackets, for the Victorian look. Removable screen gazabos are available, with a screen door, and are perfect. Another option is the 4 foot wide windows, for a 2 season gazabo. Our wide range of gazabos includes vinyl gazabos, color gazabos, screened gazabos, octagon gazabos in a variety of sizes and colors.

Our Difference:

My 10th grade gazabo arrived Monday as planned, and we delivered it to a local yard. My husband and I had my opportunity to have you in a gazabo. The table seemed a nice touch in the past as that when we needed it to be very durable and look beautiful. Now please!

Temporary heat when and where you need it.

THERMALY

ELECTRICALLY HEATED PADS

Since 1965, Thermalmy heated blankets have provided heat when and where contractors need it. The writer elements don't need to stop your next concrete pour or masonry project. Put the heat right where you need it. Thermalmy blankets have been proven across the northern United States, Canada and Alaska. Accept no substitutes, when you need to keep your project on track and on budget, Thermalmy heated blankets from Concrete Curing Technology are the obvious choice.

Thermalmy blankets, which feature our exclusive ThermoTech manufacturing process, are the best choice for providing additional heat for concrete curing for highway and bridge projects. Construction crews save time and money when using the Thermalmy heated blanket by speeding concrete curing time, bit also by experiencing fewer days off during cold winter months.

The Thermalmy heated blanket is the only fully customizable heated pad in the professional market. Need a special size or shape, or have an unusual application which calls for a special fit? Let us know and we will help you design just the right solution. We have provided electrically heated blankets for a wide variety of construction, highway and masonry projects. In recent years, roofing contractors, electricians and plumbers have used our product to keep working all winter long.

Thermalmy heated blankets are the best solution to help concrete and masonry contractors keep working all winter long. How can we help?

Special: Friday Fast Photo Gallery Click Here

This North has become a favorite of Northern Colorado's hippest, parties and of budding food-making events performing live, recognizable faces from decades of Colorado music. The 90's garage band, energetic performance and connection with the audience sets them apart. Their stage show features updated stage dress and a musician is ensuring a great experience for their gig.

This North has been a force in the lives of musicians and originators. Rob Franklin, Josh Hines, Sean Egan, and Ken Noyes.

Often called Northern Colorado's best band, the Denver 90's rock band, The North has gained local popularity with their musical diversity. From 1990's punk "oil change" to today's hit "The North" and "The North" "There's a great band" you should check them out! "The North" is a great rock and roll band with excellent musicians.

This North play a huge variety of available music from decades of Rock & Roll. We feature a line of our original tunes with a flavor mix of the Georgia Bulldogs, the Eagles, Eric Clapton, The Beatles, Bob Dylan, The Rolling Stones, The Grateful Dead, The Beatles, Eric Clapton, The Beatles, Bob Dylan, The Rolling Stones, The Grateful Dead, the Eagles, Eric Clapton, The Beatles, Bob Dylan, The Rolling Stones, The Grateful Dead, the Eagles, Eric Clapton, The Beatles, Bob Dylan, The Rolling Stones, The Grateful Dead.

While my web design skills have not kept pace with current advancements, I do have a solid working knowledge of the basic concepts and creating graphics for the internet and email. These are all sites I developed in the mid 2000s.
